Join the Center for Global Health and Make a World of Difference

Division of Global HIV/AIDS (DGHA)
Gaborone, Botswana
Botswana Combination Prevention Project (BCPP) Director

Position: Medical Officer-(Overseas)
Grade: GS-14 or Commissioned Corps Officer Equivalent
Location: Gaborone, Botswana

Open Period: June 24 – July 8, 2013

USAJobs Announcement Numbers: Medical Officer
HHS-CDC-OD-13-908816 (External)
HHS-CDC-OM-13-908498 (Internal)

Duties and Responsibilities:
Incumbent will develop, implement, monitor and evaluate the Botswana Combination Prevention Project (BCPP). The incumbent will also initiate, conduct, and coordinate the complex HIV/AIDS epidemiologic and biomedical research activities related to the conduct of the BCPP. Developing program plans and allocating funding, the incumbent will closely track both program progress and funding expenditures. The incumbent provides leadership direction and technical expertise to the BCPP CDC staff as well as the Ministry of Health (MOH), non-governmental organizations, medical institutions and other participating agencies. Supervise technical and administrative professional employees. Work closely with other investigators to ensure that projects are implemented according to protocol, and follows regulations specified by local and CDC ethical review.

Note: This is a separate announcement and not part of the Open Continuous Applications. You will need to apply to this specific announcement in order to be considered for these positions. This announcement will close on July 8, 2013.

Non-U.S. citizens must have a U.S. Social Security number to be eligible for consideration for these positions. Email current CV/resume to globalaidsjobs@cdc.gov and copy cjackson8@cdc.gov. Be sure to list specifically all positions and locations of interest when you apply.
